English

SUMMARY

Interaction designer with a graphic design background, focused on how people move through a product and where that flow breaks down. I design from user behavior rather than assumption, and treat feedback as part of the process.

SKILLS

- Interaction Design
- User Research & Flows
- Design Systems
- Branding
- Editorial Design
- Packaging Design

EXPERIENCE

Product Intern

Day0 Labs / Sep 2026 to Current

- Conduct user interviews to uncover pain points and needs.
- Translate interview insights into product improvements.

Founder & Product Designer

Reflow, Apple iOS App

- iOS day planner that detects task overruns and suggests recovery plans.
- Simplified features and information flow based on user testing.

EDUCATION

ArtCenter College of Design

Interaction Design / 2023 to Current, 7th term

SCHOLARSHIPS

- ArtCenter Transfer Student Scholarship: \$10,000 per year
- ArtCenter UG Scholarship: \$5,000 per year
