

MANIC PANIC — HAIR COLOR SINCE 1977

PUNK IS NOT JUST A STYLE

It was never just hair. It's having something to say — and refusing to whisper it. We make the color. You make the noise.

PUNK IS NOT JUST A STYLE ● RAISE YOUR VOICE ● PUNK

[THE MANIFESTO]

FOR FORTY YEARS, WE SOLD COLOR.

COLOR WAS NEVER THE POINT.

THE POINT WAS BEING LOUD ENOUGH TO BE HEARD.

Punk isn't a jacket you buy or a haircut you copy. It's the refusal to lower your voice when someone tells you to.

We're not changing what we are. We're finally saying it plainly.
